Enterprise And American Law 1836

"Enterprise and American Law" is a set of loosely-connected essays on topics in 19th century American business legal history -- antitrust, corporate law, the labor injunction, due process and freedom of contract, etc. The focus is on doctrinal development and the influence of economic theories on the thinking of lawyers and judges.

Enterprise and American Law, 1836-1937: Hovenkamp, Herbert ...

In this integration of law and economic ideas, Herbert Hovenkamp charts the evolution of the legal framework that regulated American business enterprise from the time of Andrew Jackson through the first New Deal. He reveals the interdependent relationship between economic theory and law that existed in these decades of headlong growth and examines how this relationship shaped both the modern business corporation and substantive due process.

The Rise and Fall of the Classical Corporation (reviewing ...

Loan Association v. Topeka (1874) marked the Supreme Court's endorsement of the public purpose doctrine as a means of restricting grants of public revenue to private enterprise. As authorized by state law, the city of Topeka donated municipal bonds to an ironworks company to encourage that business to establish shops in the city.

Encyclopedia of the Great Plains | LOAN ASSOCIATION V. TOPEKA

United Kingdom enterprise law concerns the ownership and regulation of organisations producing goods and services in the UK, European and international economy. Private enterprises are usually incorporated under the Companies Act 2006, regulated by competition law and insolvency law, while almost one third of the workforce and half of the UK economy is in enterprises subject to special regulation.
